CHARACTER APPEARANCE

Born the son of a nobleman's, retainer. His father saved the nobleman's life in battle and in return Jon was given an education in both book and battle. But having no lineage was ineligible for a knighthood so made a living the only way he knew how. All seemed as if he'd follow in his fathers footsteps, but no something happened preventing him from joining the nobleman's retinue. Joining a company of mercenaries as a scout. He traveled the lands and listened to the stories of veterans asking questions about battles and campaigns learning from their experiences. One terrible night he was ordered by his captain to stand guard and to not wonder off. Hearing a noise and thinking that he knew better he was determined to be the one to find the enemy and left his post. Upon his return the entire camp was slaughtered and hiding in a bush saw his own captain executed. Upon seeing this he learnt to obey authority and show no mercy for in this world you shall receive none. Having been expelled from The Throne Defenders he has had to venture out on his own one day hoping to be redeemed.

CHARACTER BACKSTORY
